# Employee Policy Handbook

Document ID: HR-POL-007 | Version 3.2 | Effective: 01 April 2026 | Owner: Human Resources | Classification: Internal

## 1. Purpose and Scope

This handbook sets out the policies that apply to all permanent and fixed-term employees of NimbusSync Technologies Pvt. Ltd. ("the Company") working from the Chennai headquarters, the Bengaluru office or remotely within India. It covers working hours, leave, remote work, expense reimbursement, information security and separation. Contract staff and interns are governed by their respective agreements unless a section states otherwise.

Where this handbook conflicts with applicable law, the law prevails. HR may issue circulars that amend individual sections; the latest circular applies.

## 2. Working Hours and Attendance

### 2.1 Standard Working Hours

Standard working hours are 9:30 AM to 6:30 PM, Monday to Friday, including a one-hour lunch break. Employees on the hybrid model must work from the office on Tuesday, Wednesday and Thursday. Mondays and Fridays may be worked remotely without prior approval.

### 2.2 Late Arrival and Grace Period

Each employee has a grace allowance of three late arrivals per calendar month, each of up to 15 minutes after 9:30 AM. The fourth and every subsequent late arrival in a month is recorded as a half-day casual leave deduction.

**Exception:** Late arrival caused by a declared public transport strike, a government-notified weather alert (for example a cyclone warning), or a documented medical emergency is not counted towards the grace allowance when the employee informs the reporting manager before 10:00 AM.

## 3. Leave Policy

### 3.1 Leave Entitlement

The leave year runs from 1 April to 31 March. Entitlements below are for a full leave year; employees joining mid-year receive a pro-rated entitlement.

| Leave Type | Annual Entitlement | Carry Forward | Approval Required |
|---|---|---|---|
| Casual Leave (CL) | 12 days | Not allowed; lapses on 31 March | Reporting manager |
| Sick Leave (SL) | 10 days | Not allowed; lapses on 31 March | Reporting manager (medical certificate if more than 2 consecutive days) |
| Earned Leave (EL) | 18 days (accrues 1.5 days per month) | Up to 30 days accumulated balance | Reporting manager; HR if more than 10 consecutive days |

| Leave Type | Annual Entitlement | Carry Forward | Approval Required |
|---|---|---|---|
| Maternity Leave | 26 weeks (first two children) | Not applicable | HR and reporting manager |
| Paternity Leave | 10 working days, within 6 months of birth | Not applicable | Reporting manager |
| Bereavement Leave | 5 days per event (immediate family) | Not applicable | Reporting manager |
| Marriage Leave | 5 days (once during employment) | Not applicable | Reporting manager |

### 3.2 Casual Leave

Casual leave is intended for short, unplanned personal needs. A maximum of three consecutive days of casual leave may be taken at a time. Casual leave must be applied for in the HR portal (PeopleDesk) before the leave starts, or on the first working day after return in an emergency.

**Exception:** More than three consecutive days of casual leave requires written approval from both the reporting manager and the HR Business Partner. Casual leave cannot be combined with Earned Leave to extend a continuous absence beyond 10 calendar days without HR approval.

### 3.3 Sick Leave

Sick leave covers the employee's own illness or injury. For absences of more than two consecutive working days, a medical certificate from a registered practitioner must be uploaded to PeopleDesk within three working days of returning to work.

**Exception:** Sick leave exceeding 5 consecutive days requires a fitness-to-resume certificate. Where sick leave is exhausted, the employee may, with manager approval, use Earned Leave; if EL is also exhausted, the absence is treated as Loss of Pay (LOP).

### 3.4 Earned Leave and Encashment

Earned Leave accrues at 1.5 days per month of completed service. Up to 30 days may be carried forward; any balance above 30 days lapses on 31 March. Employees may encash a maximum of 9 days of Earned Leave once per leave year, in the March payroll, provided a minimum balance of 10 days remains after encashment.

### 3.5 Holidays

The Company observes 12 paid holidays per calendar year, published on PeopleDesk every January. Pongal (14 January) and Deepavali are always included. Employees may swap up to two holidays for optional holidays of their choice, subject to manager approval.

## 4. Remote Work

### 4.1 Eligibility

Employees who have completed their six-month probation may work remotely on Mondays and Fridays. Full-time remote work is available only for roles designated "Remote-Eligible" in the job description.

### 4.2 Work From Anywhere (Temporary)

An employee may request up to 20 days of work from a location other than their registered city per leave year. Requests need reporting manager approval at least 7 days in advance and must be

within India. The employee must be reachable during core hours (11:00 AM to 4:00 PM IST).

**Exception:** Work from any location outside India is not permitted under this policy because of tax, data-protection and export-control implications. Requests must be sent to the Global Mobility team at least 45 days in advance and are approved only by the Chief People Officer.

# 5. Travel and Expense Reimbursement

## 5.1 Reimbursement Limits

Business expenses must be pre-approved by the reporting manager and are reimbursed at actuals up to the limits below. Receipts are mandatory for any single expense above Rs. 200.

| Expense Category | Limit (Tier 1 cities) | Limit (Tier 2 and other cities) | Notes |
|---|---|---|---|
| Hotel (per night) | Rs. 6,500 | Rs. 4,500 | Tier 1: Chennai, Bengaluru, Mumbai, Delhi NCR, Hyderabad, Pune, Kolkata |
| Meals (per day) | Rs. 1,200 | Rs. 900 | Alcohol is not reimbursable |
| Local conveyance (per day) | Rs. 800 | Rs. 600 | Cab aggregator receipts accepted |
| Domestic flight | Economy class at actuals | Economy class at actuals | Book at least 7 days in advance |
| Mobile and internet (monthly) | Rs. 1,000 | Rs. 1,000 | Only for employees designated Remote-Eligible |

## 5.2 Claim Submission

Expense claims must be submitted in the PeopleDesk expense module within 30 calendar days of the expense date or trip end date. Claims submitted after 30 days are rejected unless approved by the Finance Controller. Approved claims are paid with the next monthly payroll cycle, typically by the 7th of the following month.

**Exception:** Hotel expenses above the limit are reimbursable only when the Company's preferred hotel was fully booked, and the employee attaches the written sold-out confirmation and VP-level approval.

# 6. Information Security Policy

## 6.1 Password Requirements

All employees must use passwords of at least 12 characters, containing upper-case and lower-case letters, a number and a special character. Passwords must be changed every 90 days and cannot reuse any of the last 5 passwords. Multi-factor authentication (MFA) through the Company authenticator app is mandatory for email, VPN and the HR portal.

## 6.2 Password Reset

To reset a forgotten password, open the sign-in page and select "Forgot password". A reset link is sent to the employee's verified work email address. The link expires after 15 minutes. After three failed sign-in attempts, the account is locked for 30 minutes.

**Exception:** If the employee cannot access the work email, the Identity Team must verify the employee using the approved recovery workflow. The workflow requires the employee to present

their employee ID card on a video call with the Identity Team and to have the reporting manager confirm their identity in writing. The temporary password issued is valid for 24 hours and must be changed at first sign-in.

### 6.3 Devices and Data Handling

- Company laptops must have full-disk encryption and automatic screen lock after 5 minutes of inactivity.
- USB mass-storage devices are blocked by default. Exceptions require written approval from the Information Security Officer.
- Customer data must not be copied to personal email, personal cloud storage or personal devices.
- Public Wi-Fi may be used only when the Company VPN is connected.

### 6.4 Reporting a Lost or Stolen Device

A lost or stolen Company laptop or phone must be reported to the Security Operations Centre at security@nimbussync.example within 2 hours of discovery, and to the local police within 24 hours. The Company will remotely lock and wipe the device. Failure to report within 2 hours may result in disciplinary action and, where negligence is established, recovery of up to 50% of the device's depreciated value.

## 7. Resignation and Separation

### 7.1 Notice Period

The notice period is 60 days for all confirmed employees and 30 days for employees on probation. Employees at Grade L5 and above have a notice period of 90 days.

### 7.2 Notice Buy-out

An employee may request an early release by paying the basic salary for the unserved notice days. Buy-out is subject to approval by the department head and HR; the Company may decline buy-out where the employee is on a critical customer project. Earned Leave balance may not be used to offset the notice period unless approved by HR.

**Exception:** Employees terminated for gross misconduct are not entitled to notice pay, Earned Leave encashment or the annual performance bonus.

### 7.3 Full and Final Settlement

Full and final settlement is processed within 45 days of the last working day, after clearance from IT, Finance, Admin and the reporting manager.
